SANDSTONE, MN 55072

Our Virtual Stuff

Support Group

Tuesdays

6-8 pm

Small support groups online are a great way to connect with other teens going through the same ups and downs in life, especially during this time of social distancing. Support Group is a night to encourage others and be encouraged.

Connect

Thursdays

6-8 pm

Fun games, relevant media, and inspirational teaching foster a positive environment to build healthy relationships with God, self, and others.

One-to-One Mentoring

Anytime

No teen walks alone, even now. Whether it's through Facebook call, Google Meet, or other platform TreeHouse staff and volunteers love hanging out with teens, encouraging them in difficulty, and celebrating with them in their accomplishments.
